SINCE 1980
DRIVEN BY excellence

Our heritage lives in the hands of all men and women that passionately work every detail for our customers.

"

A tribute to the memory of an exemplary man and leader.

Gabriel Abuchaibe

NILI GLOBAL SOURCING

Our company's vision is to design and market fashionable garment collections, provision of uniforms as well as household linens. We put together our experience and the latest technological advancements in the textile industry to create high quality garments.

In our 43 years in the textile industry, we have built an excellent reputation and have excelled due to our innovative manufacturing processes.

BICO's DNA
We are part of your brand's image and legacy.

OUR JOURNEY THROUGH THE
WORLD IS A CONSTANT
inspiration to us

UNIFORMS

More than 43 years manufacturing garments for the jobs that change the world.

We work with our clients to develop new or actual trends using the most advanced fabrics. Always advancing in designs focusing on the different needs of the client.

We strongly believe in the power of a good image to highlight a competitive and challenging envi - ronment. Our purpose is to strengthen our client's image and at the same time provide com - fort and differentiation.
